GRASS PITCH - FOOTBALL

STEP 1: Issue 1.0: from 29 March 2021

No	Item	Action Taken
----	------	--------------

<b>People Management and Communication</b>			
	Screening of staff before they arrive at the venue to ensure individuals displaying COVID-19 symptoms or those who should be shielding do not travel or attend.	Explicit verbal or written confirmation from each staff member that they are not required by NHS Test and Trace to self-isolate and are not required by Government Guidance to self-isolate because they, or someone in their household, have had symptoms of COVID-19 within the prescribed timeframe	
	Staff allocation	One member of Supervision staff	
	Assess user numbers, space capacities, venue circulation and layout planning to maintain social distancing.	External capacity: to meet FA guidelines Internal capacity: "1 in 1 out" system for use of toilet	
	Signage to make all users are aware of the control measures in place and how to act appropriately to minimise the risk of transmission of COVID-19.	Signage: Site specific signs manufactured and installed
