LPFF GOLF DAY 2026

The London Playing Fields Foundation (LPFF), is pleased to invite you to its annual Golf Day at Woburn Golf Club.

The LPFF is a visionary charity founded in 1890 to protect, provide and promote playing fields across the capital. The Foundation owns and maintains seven playing field sites where 200,000 Londoners play sports annually and runs innovative programs to increase physical activity and social inclusion, especially amongst disadvantaged groups. With playing fields disappearing and obesity rates rising, the Foundation's mission to safeguard affordable places to play sport forever is more vital than ever.

The golf day will help raise awareness and vital funding so the Foundation can continue its important work.

This will be a fantastic day with lots of networking opportunities and the chance to play one of the county's top golf courses whilst supporting a great cause. All funds raised will be donated to The London Playing Fields Foundation.
